Message from the director:

Esmé Green

Upgrading? Why not recycle your "old" iPad, Kindle or Nook to a good cause?

In the spirit of renewal, perhaps you have purchased the iPad 3. Instead of letting your old one collect dust in the home office, consider donating it to the Library. The staff always works hard to keep up with the latest trends and technology, but our budget can't always keep pace. The ability for us to have hands on experience using these devices helps us help our patrons who have questions about how to download eBooks, access our many other electronic resources, and troubleshoot. If this sounds like a worthy cause to you, please contact Karen Tobin, our Assistant Director and resident tech whiz to discuss the details at tobink@sudbury.ma.us, and thank you.

Special Program:

On May 5, we will be celebrating National Military Appreciation Month and the Tenth Anniversary of HOPEsudbury, with a [flagpole dedication](#) on the Library front lawn. HOPEsudbury donated the flagpole to the Town of Sudbury in honor of the organization's tenth anniversary. The Sudbury Military Support Network donated the flag. Please join us for what promises to be a moving and meaningful event.

ALL PROGRAMS MADE POSSIBLE THROUGH THE GENEROSITY OF THE FRIENDS OF THE GOODNOW LIBRARY

Volunteer at the Goodnow Library!

The Goodnow Library couldn't operate without our many wonderful volunteers, and we are always in need of more. If you're interested, please feel out a [volunteer application](#) and return it to any of our service desks.

Right now, we have special needs in the following areas:

PROGRAMMING

Do you have a skill or an interest you'd like to share with the community? The library is already a community gathering place, so we may be able to help make this happen. We already have some book discussion groups, but there's always room for more—or what about a movie group? Would you like to meet up with fellow photographers, knitters, genealogists or writers? Let us know. Please call or email Karen Tobin (978-443-1035 x228, tobink@sudbury.ma.us) to discuss!

SPECIAL PROJECTS

If you have an interest in history or genealogy, we are looking for help to continue working with Reference Librarian Brenda Castino, inventorying the library's historical collections of books, maps, artifacts, photos, and ephemera.

Our collection of the Town Crier goes back to 1915. We are beginning a project of retrospective indexing the articles and items contained in this collection. With your help, we can begin to work on the extensive and valuable work of indexing the people, organizations and events that make up the history of our town.

Our Magazine collection needs ongoing attention to keep the current issues in order, pull older issues for storage and make changes in the computer as to their status and location.

We have several data entry projects currently and coming up. If you have good attention to detail and computer skills, this project might be for you.

Volunteer Opportunities for Teens

Attention Teens!

Do you want your librarian to look like this??

Sign up to be a teen volunteer!

The Goodnow Library Children's Department is seeking responsible High School Students to volunteer at the Library this summer. Volunteer opportunities include shelving materials, assisting with children's programming, decorations, crafts, and other duties as needed. Students that will be able to make a commitment of 1-2 hours per week for 6 weeks will be given first priority.

Please contact Heather Wilkinson, Children's Librarian for additional information 978-443-1035 ext. 226

The Bookies Book Group

The "Bookies" "next best bet for the book discussion will be An Arsonist's Guide to Writers' Homes in New England by Brock Clarke.

We'll meet on Tuesday, May 15 at 7 pm. at the Goodnow Library.

This darkly comic novel, published in 2007, sets fire to the imaginations of book lovers and offers a warning to all writers and their homes! The main character, Sam Pulsifer, lights our way with his satirical observations of contemporary culture. But does he strike the match to each of these writers' homes or are others just carrying his torch? Find out if it's all just a false alarm or simply a hot read! New members to the "Bookies" discussion group are welcome. No one gets a grilling, as return members can tell you.

Feel free to ask for a copy of the book at the Circulation Desk. We hope you may attend and enjoy a lively, informal discussion. This looks like a book we bet will provoke interesting responses!
